

## REMARKS

The Office communication dated 01/23/2006 comprising a Notice of Drawing Inconsistency with Specification identified that lack of description of Figures 16A and 16B in the Brief Description of the Drawings. The amendment provided above corrects that inconsistency and entry of the amendment for further processing of the application to issue is respectfully requested. If additional information is required, please contact the undersigned.

Respectfully submitted,

Felix L. Fischer
